MORE TO LIFE ❤️

MVR Cancer Centre and Research Institute (MVRCCRI) is committed to offer the best cancer care in the country in a cost-effective manner, and be at par with world leaders in personalized medical care, combining cutting edge technology and unparalleled medical expertise. The MVRCCRI team has in-depth experience in delivering the entire value chain of care-prevention, detection, diagnostics and therapeutics to rehab and palliative care.

Besides being a name synonymous with state-of-the-art healthcare destination, MVRCCRI is at the forefront in pioneering a progressive culture of research to help millions of patients beyond boundaries from diverse social strata. MVRCCRI has an extensive team of skilled clinicians, allied staff, basic scientists and other support service providers who work round the clock to bring a smile to patients' faces and help them live without fear of cancer.

MVRCCRI is a unit of Cancer and Allied Ailments Research (CARE) Foundation, an initiative of Calicut City Service Cooperative Bank.

HIGHLIGHTS

- ❖ India's First Fully-Automated Histopathology Lab for Cancer Detection

- ❖ Strong Team of more than 50 Doctors
- ❖ 14 Departments and 300 Bed Strength
- ❖ World Class Facilities with Advanced Instruments
- ❖ 17 Acre Campus

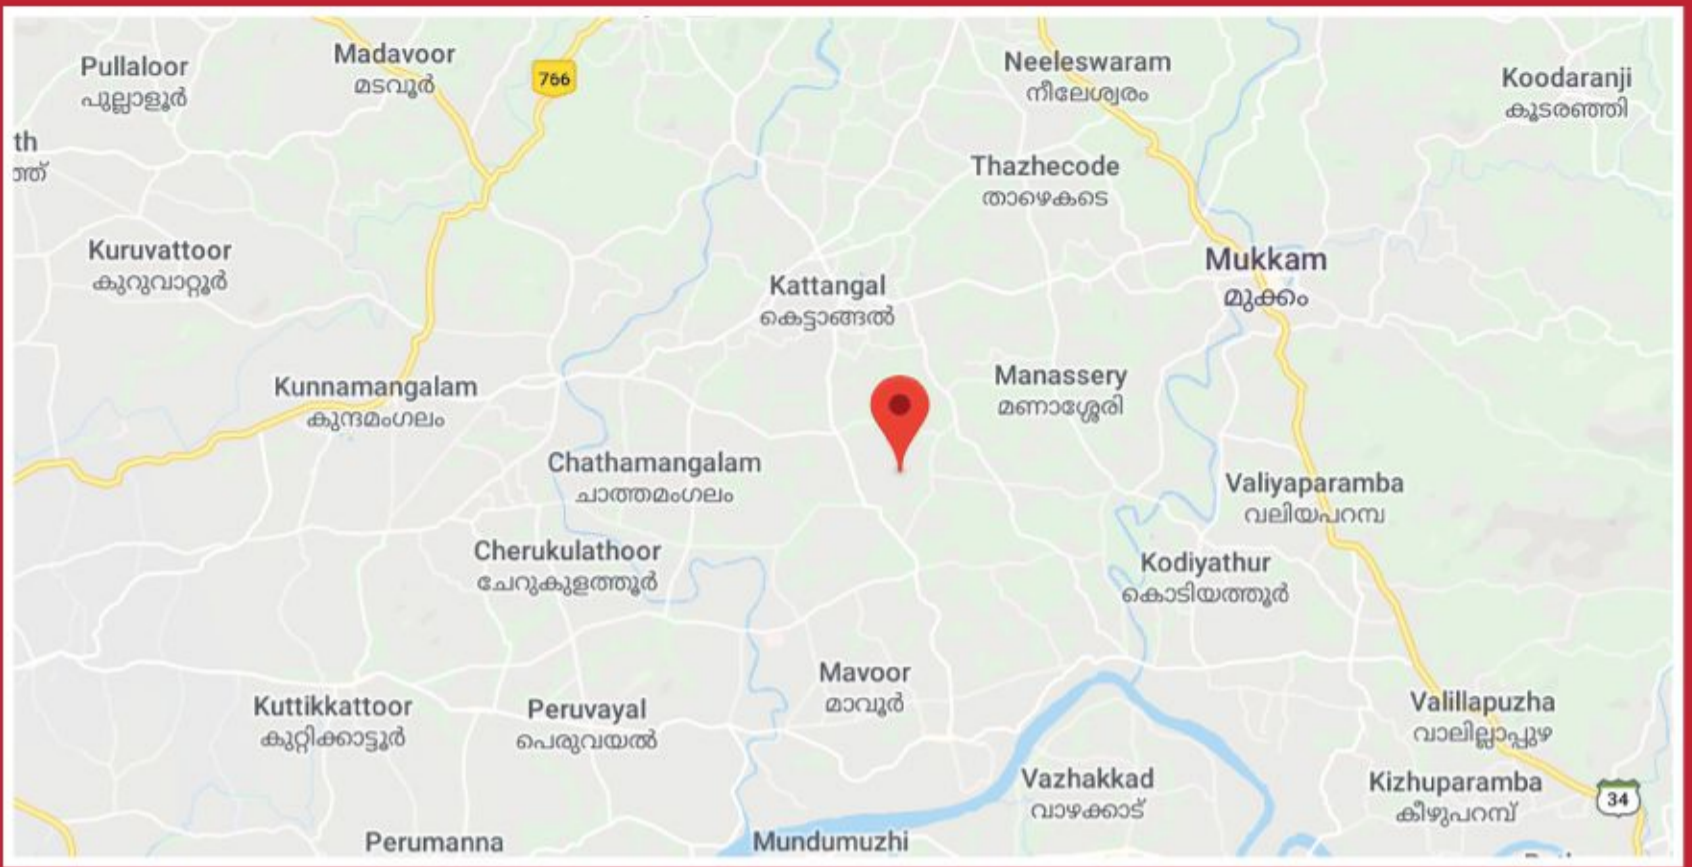

MVR-KASO

Progress in rectal cancer treatment has shown continuous evolution of technology and techniques with the aim to improve oncological outcomes and patient's quality of life. This was made possible with better understanding of the biology of disease, innovative technologies and amazing surgical intuitions by surgeons who pioneered in rectal cancer surgery.

As part of our 2nd annual conference, MVR Cancer Centre and Research Institute in association with Kerala Association of Surgical Oncology (KASO) is organizing a two-day focused conference on updates in Rectal Cancer.

The conference will benefit Post Graduates, practicing Surgeons, Surgical Gastro Enterologists and Surgical Oncologists, by imbibing wisdom and knowledge from doyens in this field. It is our honour and privilege to welcome you all to this enriching and engaging event.
